RE: IESI PA Bethlehem Landfill Corp.
Maryland Waste Hauler Number
Southeastern Realignment

Dear Rachel:

Following up on our conversation today on our assets in Maryland and the Waste Hauler Number associated with it, I offer the following:

Waste Hauler Number 16892 was part of IESI Maryland Corporation which was sold to WB Solutions, LLC on February 17, 2017. The correct Waste Hauler Number for our Maryland assets (Roll Off Express, Inc.) is WH0921. Attached are the updated pages from Attachments 2 and 3 of the Bethlehem Landfill’s HW-C “packet”. These updates will be included with the next HW-C “packet submitted to the Department.

I trust that this information clears up the confusion on our Maryland assets and the Waste Hauler Number associated with it. In the event any questions arise concerning this correspondence please feel free to contact this office at your convenience.

Very truly yours,

Nick Rogers
Environmental Compliance Manager
