

## Saucon Rail Trail

# Trail Etiquette

### Etiquette for Cyclists

- Be courteous- the SRT is for all users!
- Keep right (except to pass)
- Ring a bell or politely call out, "On your left!" when passing
- Give ample room when passing, even if that involves slowing down until that is possible
- Keep your speed down and enjoy the view
- Stay single file during busy times
- Yield right-of-way to other trail users - remember that runners and pedestrians are more vulnerable trail users

### Etiquette for All Users

- Abide by posted trail signs
- Keep right, walk no more than two abreast
- Stay alert - faster trail users need to pass
- When stopped, step to the trail edge
- Keep dogs on a leash and clean up after your dog
- Share the trail; be considerate of all users
