What can I bring?

Although you can bring anything that you could otherwise put out for your normal weekly trash collection, the event is designed to provide for disposal of items you cannot include in your normal weekly trash collection, like large household items (such as furniture, mattresses, etc.), construction/demolition materials, and other bulky items.

What can't I bring?

Hazardous waste, "white goods"/ large appliances, pressure treated wood, electronics, yard waste/tree stumps, tires, latex paint, or concrete. Please visit our website at www.bethlehemlandfill.com for a list of organizations to contact for the disposal or recycling of such materials. (Bethlehem Landfill is not affiliated with any of those companies).
